My Dear Friend

129 We find by an announcement in the Standard of thy intention to be with us at our Annual Meeting — could thee bring Helen, or any of thy children, or Friends with thee? — if so we will be glad to have you come and home with us — we want thee to consider this thy resting place whenever thee comes to Chester county — Joseph Dugdale says "ask friend Garrison if he cannot stay over 1st day and attend our Meeting at Longwood" — we would be glad if thee could do so & we would like to take thee to Kaynard Taylors

if she has any desire to go—
W M Darlington wishes to
have a social evening at
